News From the Board

Veterans Day

By John Barone

Veterans Day is officially celebrated on November 11th each year regardless of the day of the week. It may be celebrated on a weekend so more people can participate in memorial services.

Many people confuse Memorial Day and Veterans Day but there are differences to be noted. Memorial Day is a day to honor and remember military personnel who died in the service of their country, particularly those who died in battle. Veterans Day is set aside to thank ALL those who served honorably in the military in wartime and in peacetime.

The original concept for the Veterans Day celebration was for a day observed with parades and public meetings and a brief suspension of business beginning at 11:00am. That tradition has been handed down to us through the years and we join together to thank those who have volunteered and contributed to the freedom we enjoy today.

Thank a Veteran Everyday!

Presidents Message

By Tim Murphy

I hope everyone is enjoying this great weather we've been having since the beginning of October! As we enjoy these beautiful fall days, now is the time to start preparing our homes for the colder winter weather ahead.

Please take some time to get the outside of your home ready for the season. Put away summer furniture and other seasonal items, clean up fallen leaves and branches, and trim back any overgrown shrubs or plants. It's also a good time to clean out gutters, check outdoor faucets, and make sure hoses are disconnected and stored away.

Taking care of these small tasks now can help protect your home and keep our community looking neat and beautiful throughout the fall and winter months.

Thank you for your continued cooperation, and enjoy the beautiful fall weather while it lasts!

Holiday Heights Homeowners' Association
Snow Removal Rules & Regs

PLEASE BE PATIENT AS THERE ARE OVER 1,400 HOMES TO PLOW

- **Berkeley Township Snow Ordinance (7-8.3)** – When Berkeley Township streets have become snow covered during snow storm emergency situations, it is unlawful to park vehicles on the streets until the snow has stopped and the roads have been cleared. Berkeley Township plowing will only be done after 5 inches of snow accumulation, a dusting of snow will not be plowed. Since many home driveways cannot accommodate more than one car, we suggest parking additional cars on your grass, next to your driveway, in order to clear the streets for the plows. There is a Berkeley Ordinance against parking on the lawn, but we have cleared it with the Berkeley Township Police Department and there will be no tickets issued for this during snow storms.
- Once Berkeley has plowed the streets, you should remove your car(s) from the driveway and front lawns, parking them in the street. Our contractor **will not** plow your driveway if there is a car parked there. All Aprons will be plowed . **Aprons of homes on the No Plow list will be cleared.**
- **Our Contractor will start removing the snow after the streets are plowed by Berkeley Township and we are cleared to start.**
- Driveways will be plowed starting 1 to 3 feet from the garage door. To prevent denting of garage doors, snow drifts against the doors should be removed prior to the driveway being plowed. Contractor will not be liable for damages.
- **Contractor is not responsible for scratches or damage to driveways.**
- Contractor is not responsible for any personal injury that may occur before, during or after snow removal.
- **Contractor is not responsible for snow removal in front of the mailboxes.**

WE ASK THAT EVERYONE PLEASE BE PATIENT!!!

- **Homeowners are responsible for clearing the sidewalks in front of their home. Complaints regarding clearing and damage to mailboxes should be directed to Berkeley Township (Do not call the office).**

Please Call: Public Works @ 732-349-4616, Town Hall @ 732-244-7400

- If you need emergency transportation call Berkeley Police @ 732-341-6600
- **If you have a life-threatening situation, call 911.**

Plowing is done in the following order:

1. Clubhouse Pathway for plowing company staging area and emergency vehicles.
2. Clubhouse Parking Lot in case it needs to be used as a Homeowners-emergency shelter.
3. Residents homes

PROCEDURES FOR NOT PLOWING DRIVEWAYS – The HOA and Contractor will not be responsible for damage done to Designer Driveways.

- As in prior years, you are required to come into the HOA office and sign a NO SNOW PLOW form, as your Homeowners' Association cannot be responsible for any damage to your driveway.

ORANGE RIBBONS will be issued for no-plow driveways. Ribbons can be obtained from the clubhouse office. It is your responsibility to place a ribbon on your mailbox or park your vehicle at the end of the driveway. Please do not use holiday decorations on or around your mailbox. The plow drivers must be able to see your ribbons clearly. If you fail to take the proper measures, your Association and the contractor will not be held responsible for any damages done to your driveway.

DESIGNER DRIVEWAYS- If you have a paver or designer driveway, you must obtain a **BLUE RIBBON** from the office and tie it on your mailbox authorizing the plow to plow your driveway. You are required to fill out a WAIVER FORM if you want your driveway plowed with a blue ribbon.

PLEASE NOTE:

- The Association will not be responsible for damage done to designer driveways. If you want your designer driveway plowed, you must come into the office and sign a waiver.

Social Club News

Fall is a beautiful season. The weather is getting cooler, and the leaves are turning bright colors like red, orange, and yellow. So put on a warm jacket, take a long walk through our community, and enjoy the crisp air. Fall reminds us to slow down, enjoy nature, and be thankful for the simple things in life. It is a season full of beauty, comfort, and gratitude.

We hope that you will welcome Fall at this month's Social Club meeting on Thursday the 19th. Chris Anthony will be the evenings entertainment. He bills himself as a DJ, but he is so much more. So come join us and enjoy his show.

If you haven't yet renewed your membership or are new to our club, see one of our officers before the meeting. There are forms on the table in the lobby for new members to fill out. Returning members do not need to do this. We've streamlined the system to avoid the lines and crowds in the lobby. Feel free to discard last seasons membership card. Your information is now in our computer system.

As always, doors open at 5:30. Enjoy the refreshments and have a great evening with both old and new friends. See you on the 19th.

We all wish you a very happy and joyous Thanksgiving,

Joanne, Judi, Jane and Karen

Dessert Bars

Compliments of JoAnn M. Petrizzo

Ingredients:

1c. unsalted butter, cubed
4 c. cornflakes, crushed
3 tsp ground cinnamon
¼ c. granulated sugar
1-14 -oz. can sweetened condensed milk
1 pt. heavy whipping cream
¼ c. evaporated milk
2 tsp. vanilla extract
¼ tsp. salt.
¼ c. honey

Optional: toppings: whipped cream, extra honey drizzle, maraschino cherries

Instructions:

1. Line a 9x13-inch baking dish with parchment paper and set aside.
2. In a large saucepan, melt the butter over medium heat.
3. Turn up the heat to medium-high and add the sugar. Stir until fully combined and starting to bubble.
4. Stir in the crushed cornflakes and cinnamon, stirring constantly until lightly toasted or golden, about 6-8 minutes.
5. Spread half of the cornflake mixture (about 2 cups) evenly across the bottom of the prepared baking dish and press gently to form a crust. Set aside
6. In a large mixing bowl, beat the heavy whipping cream, evaporated milk, and salt until thickened, about 5 minutes. Add the sweetened condensed milk and vanilla extract, beating until smooth and airy.
7. Pour the creamy mixture over the crust, using a spatula to evenly coat. Cover and freeze for at least one hour, or until the ice cream layer is partially set.
8. Once the filling is firm enough to hold its shape, drizzle ¼ cup of honey evenly over the surface. Sprinkle the remaining cornflake mixture on top, pressing lightly so it adheres.
9. Cover again and freeze for at least eight hours or overnight until fully set. Cut into bars and serve straight from the freezer.
10. Top with whipped cream, an extra drizzle of honey or maraschino cherries if desired.

Forgotten History

Echoes of the Roman Republic in the United States

Excerpt from History Nation

When the United States was founded in the late 18th century, its leaders deliberately drew upon the mechanisms of the Roman Republic (509 BCE to 27 BCE) as a model for governance. The United States charted a course to break from traditional European monarchies and create a republic built on the concept of representative government. America's founders, many classically educated, regarded Rome as a prime historical example of a republic with principles of mixed government, separation of powers, and civic virtues. They saw a practical model and a warning from the past of what not to do.

The Roman Republic's influence on the United States is evident in that the Senate takes the name from the Roman Senate, a deliberative governing body balancing power. The constitutional system is designed to encourage shared authority, checks and balances and the representation of different interests with government.

Roman precedents appear throughout American public life in language, imagery and design. "Capitol" derives from Rome's Capitoline Hill which served as the religious and political center of the city. Many buildings draw on the Neoclassical architectural style of the Roman Republic, grand columns, domes, and symmetrical facades, a shorthand for stability and civic authority. The bald eagle, the national bird, was intentionally chosen to evoke power and authority the same as ancient Romans' primary emblem of the legions, representing strength and sovereignty.

The influence is also shared with American places such as Utica a Carthaginian city, Syracuse in Sicily, and Troy. The admiration of Roman virtue was evident in Washington's voluntary relinquishment of power on two separate occasions. These actions were Roman ideals of temporary authority and civic restraint.

While the Rome Republic served as an inspiration for the foundation, the founding fathers also studied Rome's collapse. Rome's political instability, widening inequality, and the consolidation of power in the hands of individual leaders weakened the institutions and opened the path to the fall of the Roman Republic. The separation of powers, limits on executive authority, and a system of checks and balances were designed to reduce the risk of a similar decline.
