News From the Board

By Carol Bianco

Fall is in the air, bringing with it the beauty of the leaves changing, cozy nights. As we transition into cooler weather, here's a quick checklist to prepare your home for winter.

- Clean gutters and downspouts
- Check weatherstripping on doors and windows.
- Schedule a furnace inspection
- Drain and store outside hoses
- Winterize sprinkler system

If you are considering any fall exterior projects, kindly reference page 46 in the HH Homeowner Handbook.

All Owners and Residents are required to get written approval from the Holiday Heights Code Committee prior to beginning any exterior project on their Lot or Living Unit.

Before beginning any exterior project on their Lot and/or Living Unit, Owners are required to have their project submitted to and approved in writing by the Code Committee and Board and obtain any required Berkeley Township Permits prior to receiving a required Holiday Heights Project Permit and approval to proceed.

Failure to obtain written project approval in accordance with these Rules and Regulations will result in an initial two hundred fifty-dollar (\$250.00) fine for which the Owners and Residents of the applicable Lot and Living Unit are jointly and severally responsible.

A stop work order may be issued only on Holiday Heights projects, which do not require a Berkeley Township permit. In addition, failure to apply for a Berkeley Township permit (if required) will additionally result in a one hundred dollar (\$100.00) fine.

Failure to obtain approval is the initial and first fineable offense. Additional fines will be applicable for each subsequent violation as per Section 4. Schedule of Fines and Liens/ Code Violations.

HAPPY FALL Y'all

Presidents Message

By Tim Murphy

I would like to thank everyone who participated in this year's election. The results are in, and we are beginning the new fiscal year with a full seven-member Board. A special thank you to Carol Bianco, who served as President of last year's Board. Despite dealing with some personal challenges, Carol remained committed to Board business and consistently focused on finding ways to improve our community. We sincerely appreciate her dedication and service. I would also like to thank all the Board members for their willingness to serve. We appreciate the time, effort, and commitment each member brings to Holiday Heights, and I look forward to working together as a united team for the benefit of our community.

Looking ahead, we have a great team that is ready to work together to manage the operations of the Association. We are committed to leading in a professional, positive, and optimistic manner. Our focus will remain on solutions, progress, and doing what is best for Holiday Heights. There is no room for negativity or personal agendas that distract us from that mission.

Our goal is to continue making Holiday Heights a premier community—one where Homeowners are proud to live and proud to call home.

To achieve this vision, we need the support and involvement of all Homeowners. We are all on the same team, and our shared goal should be the continued success and improvement of our community. We welcome constructive input, ideas, and suggestions from all members of the Association. Your thoughts and perspectives are important to us, and we encourage everyone to work with the Board in a positive and productive manner.

Together, with a shared commitment to our community, we can make Holiday Heights an even better place to live. We look forward to working with everyone and to a successful year ahead!

Tim

Tim Presented the budget, reviewed all expenses and the results. We had large snow expenses which caused the use of money from the reserve account. In order to repay the reserve account, increase the snow reserve and avoid and increase in monthly fees, a one-time assessment of \$65 will be required by all homeowners. The Board voted unanimously for the assessment which is due by January 2027.

An owner asked for a public vote on the budget by the board, which was provided along with a vote to close the pool on Labor Day.

Lorraine stated that JCPL wants to increase monthly bills . Our congressman is trying to pass a bill to stop it.

Committed reports were provided.

Peter from The Code Committee reviewed a new form for Tree/Bush sidewalk complaints.

People expressed their concern of the pool closing.

Meeting ended at 8:40pm.

Minutes submitted by George Wilhelm.

GRASS CUTTING POLICY

Sprinkler heads are the Owner's responsibility

All Grass Cutting Issues must be reported to the HOA Office in writing, using the Lawn Complaint Form (forms are available at the HOA Office or on our website at holidayheights.org). Please do not call the Lawn Contractor or a Director. A complaint form must be filled out for all complaints. If no complaint form is filled out the complaint will be voided.

Damage to property such as siding, fences, borders and sprinklers will be addressed in a timely manner. Our contractor has staff to handle these repairs. Should you have damage, please take responsible measures to prevent further damage. All complaints will be inspected by a Director to determine the cause and action to be taken. Repairs made by homeowners prior to the Director's inspection and without authorization by the Board, will not be reimbursed. Please ensure the cutters have a clear path and your sprinkler heads are down on grass cutting days. Sprinkler heads damaged due to heads being raised during the cut cycle **will not** be repaired by the Lawn Contractor. If you have heads that do not retract, place red do-not cut flags around the head until you can have it repaired, also confirm all ground panels are secured.

Damage to lawns such as scalping and ruts will be considered on a **case-by-case** basis. Some will grow back without intervention. The majority of ruts are caused by the ground being over saturated due to recent rain and/or over watering by the sprinklers. The driver is most likely unaware of the saturated ground until it is too late. Ruts caused by Homeowners over watering their lawn will not be repaired by the Lawn Contractor. Please check your side and rear yards as needed to ensure the ground is not over saturated. If you find there are areas that are over saturated, please obtain red flags from the HOA Office and circle the saturated areas so the mowers know not to cut that area.

No Cut Signs are a violation and are subject to a fine if placed on your lawn.

"No Cut" flags are available in the HOA Office for those not wanting the Association to cut their grass. You will need to fill out the No Lawn Cut form and you will be given flags at the HOA Office. If you change your mind and decide you want your lawn cut, please remove the flags.

Under normal soil conditions, grass requires only ½ to 1 inch of water per week. Our soils are generally wetter due to the high-water table and type of soil; therefore, discuss this with your sprinkler contractor and ask them to adjust the frequency and run times on your sprinkler system for roughly ¾ inch per week. Also ask them to adjust your system as needed throughout the watering season. Remember the water requirements for the area between the homes may be less than the front and back, work with your neighbors to establish a watering schedule. Watering your lawn every day is not needed unless it is a new seeding.

Contractor Disclosure in its entirety can be found on the Holiday Heights website

www.holidayheights.org

If you have any questions or concerns, please Call George Wilhelm at Ext 213

HOA Reform Leaders National Group (HRLNG). Their Key Focus is: 1) Legislative Change by contacting state officials requesting them to author new State and National laws to aid and protect all shareholders/residents of HOAs. 2) Pushing for State oversight of HOA Boards and Management Companies. This would avoid boards and shareholder/residents from incurring expensive attorney fees and litigation to enforce compliance.

Forgotten History

Excerpt from History Nation

The Theft if St Mark and the Birth of a Symbol

In 828 Venetian merchants took the remains of St Mark the Evangelist from Alexandria, Egypt, to Venice. According to Venetian tradition, the saint's body was at risk under Muslim rule, and the merchants smuggled it out by hiding it beneath pork, which Muslim officials were unlikely to touch. However, taking the relics of St Mark also served another purpose. Venice was still defining itself between the Byzantine Empire, the Frankish world, and the papacy; possessing the body of one of the four Gospel writers gave the city immense religious prestige. St Mark soon replaced the older, more Byzantine-link St Theodore as Venice's patron saint, and his winged lion became the emblem of the Republic. St Mark's Basilica was built to house the relics, while the lion of St Mark appeared on flags, coins, buildings, and ships. The saint's body gave Venice something every rising power needs; a story about itself.

Happy Hooker News

Hello Everyone,

Our group of hookers is doing very well. We are providing the hospital with many needed items. My cousin was a patient at Community Hospital and was given a Holiday Heights Happy Hooker lap blanket. He was very appreciative and enjoyed it.

Social Club News

Have you noticed that almost overnight our neighbors have welcomed the crisp colors of Fall? Pumpkins and scarecrows and witches and ghosts have replaced the flowers that we nurtured all summer, and that the deer and rabbits ate. Leaves that were green just a few weeks ago are now dressed in their autumn colors of red and gold. October makes us realize that every season has its own beauty and helps us remember to slow down and enjoy the new pace.

As always, we hope to continue to provide our members with the best entertainment and refreshments we can find. At our October 15th meeting we will treat you to the Joey Vincent Show. Joey has entertained thousands at venues such as Carnegie Hall and PNC Performing Arts Center. He is a one-man show, blending comedy, impressions, singing, dancing and music into a first-rate entertainment experience. You won't want to miss it.

If you haven't yet renewed your membership, want to sign up, or are new to our community, just see one of our officers in the lobby, and she will help you. We remind you that we meet every third Thursday of the month from September to May. Doors open at 5:30. Our full meeting schedule will be included in each issue of the Courier and also on the bulletin board in the lobby.

We are happy to have all of you as part of Social Club once again for our 2026/2027 season, and would like to welcome all of our new members and new residents of our community.

See you on the 15th,

Joanne, Judi, Jane and Karen

Pickleball Invite

HAPPY SPRING—FINALLY!!

There is something life-giving about being outdoors. In a lovely setting. A fresh breeze filling our lungs, blowing us around a bit. Our body parts were designed to move—improving longevity and quality of life.

PICKLEBALL INVITATION

For those who can (& you know your physical limits), please join us as we utilize the wonderful PICKLEBALL COURTS that our community has kindly invested in FOR OUR HEALTH, WELLBEING, and opportunity to BUILD COMMUNITY and friendships. For those playing at local parks, COME JOIN US ON OUR FOUR, BRAND NEW, conveniently located courts!

WE HAVE A DREAM

We hope to grow a big community of players so that all feel comfortable playing at their individual level of play and at that point, we can schedule **Beginner, Intermediate, and Advanced time slots** on the community calendars. ALL who feel they can move at angles, pivot, short sprints, **OR** can win a game by standing still and killing your serve or making strategic shots should come out and **try this AMAZINGLY FUN, SOCIAL, and fast-growing, popular game!**

It's like a giant ping pong table, but half the size of a tennis court and we will always play doubles, so each player covers half the small court.

WHAT'S HAPPENING NOW:

One or two seasoned volunteer pickleball players will offer lessons to beginners. As of April 7, weather permitting, a welcoming community member(s) will be at the courts on Tuesdays and Thursdays at 5:30 pm until about 7 pm. **Let's have some fun** and let us know you're coming (see below)!

AS A COURTESY & convenience for all:

For us to know ahead of time who and how many are coming, please download the TeamReach app on your phone. Put in **code Heights99** and that will bring up the **Holiday City Hts pickleball "team"** for you to join. Go to calendar to see what's happening and sign up with a YES at your preferred calendar event. You can also use the chat feature to request from a leader or to the whole group, your own preferred dates and times to play other than those already listed in the calendar.

KIRMS PHOTOGRAPHY

Travel Photography

This month I'd like to talk a little about travel photography. I ran this column a few years ago, but, with COVID restrictions lifting, we're starting to travel again, so I thought it was a good time to run again.

It's great to bring back wonderful images of the trip and a camera that is easy to carry, and takes quality images, is important. Carrying a bulky camera bag or heavy camera will not make your vacation more pleasurable.

Photographing the buildings, scenery, and people is nice, but images that capture mood or culture are the best. It's good to include yourself, family, and friends in some of the images, but photographing the local people in their environment will add culture and flavor. I've included some of my Bermuda images.

If you're familiar with your camera try some shots on aperture priority and shoot at F8 or F11 to add depth and sharpness. Make certain you don't center your subjects and try to fill the frame.

That's it for this month. As always you can send me an email at bill@kirmsphotography.com. Visit my web site at www.kirmsphotography.com if you'd like to see more of my images. Keep shooting and trying to improve your images, but always have fun with your camera.
